Born in St. Petersburg, Russia in 1892, Erté moved to Paris at the age of twenty where he began his long career as a designer.

Widely recognized for his fashionable covers for *Harpers Bazaar*, Erté was equally famous for his brilliant theater designs. He created spectacular scenery and costumes for the theater and opera in Paris, London, New York and Barcelona. In addition to this body of work Erté also produced numerous jewelry designs, designs for building interiors, serigraphs and bronze sculpture.

Erté's career spanned eighty years during which he completed over 20,000 designs. He worked nonstop until his death in Paris in 1990 at age 98.
